Re: Incident Resolution Notice (Burglary)

In an effort to communicate better with the campus community about public safety issues, we are pleased to provide the following Incident Resolution Notice.

Notices of this nature detail instances in which DPS and/or LAPD have been able to bring a resolution to reported illegal acts affecting our community members. We look forward to providing you with more updates of this nature.

**Incident:** Burglary Arrest  
**Date:** 10/26/09 at approximately 7:20 PM  
**Location:** Von Kleinsmid Center, 3518 Trousdale Parkway

**Description:** On 10/25/09 a suspect entered two classrooms in the Von Kleinsmid Center (VKC) and removed LCD projectors from their ceiling mounts. The suspect then concealed them within a dark backpack and left the location. The thefts were captured on closed circuit television (CCTV) and reviewed later by VKC staff and DPS investigators. The suspect returned to the building the following day and VKC staff then notified DPS officers.

**Disposition:** DPS officers responded to the location and the suspect was detained for further investigation. The officers reviewed the CCTV video and positively identified the suspect as the person on camera taking the projectors the previous day. The suspect was arrested for burglary and transported to LAPD SW station for booking. During a follow up investigation, both projectors were recovered and returned to USC.

Sincerely,

USC Department of Public Safety
