

**Notes from Sustainability Town Hall Meeting Sponsored by Professor Haw
September 26, 2008**

Topics and Ideas Mentioned:

- Sustainability incorporated into Orientation
- Environmental literacy
- Minor in Social responsibility
- Solar power
- LEED Standards
- Water bottles (reusable)
- More convenience
- Recognition/Contests for Green Ideas
- Building competitions
- Transportation
- Sustainability fair on campus
- Radisson Hotel – information on its waste sorting
- Actual dishware (washable) in dining establishments (like Galen)
- More organic food selections
- Food packaging
- Increased recycling awareness
- Drought resistant vegetation awareness
- Daily Trojan published weekly instead of daily (or an online release)
- Marshall School of Business – create slogan or logo for sustainability
- Utilize Alumni Association – networking, newsletters, etc.
- University of “Sustainable” California
- Increase signage regarding current sustainable practices
- A/C adjustments (Taper Hall was mentioned as an example)
- Ability to call in Facilities requests for A/C adjustments (to be corrected in real time)
- Bring back Greeks Go Green
- Campus Master Plan
- Feedback mechanisms for sustainability
- Sustainability education for students prior to Orientation
