Vehicle similar in style and color to Campus Cruiser Vans Custom black and chrome rims Dual sliding doors

A minivan of similar color and style to the Campus Cruiser vans has been reported on several occasions driving around the campus neighborhood offering rides to female students. The driver and passenger have been described as Hispanic males. The driver was described by one complainant as having long dark hair, sunglasses and a black beanie or beret. Anyone with any information about this vehicle or driver is encouraged to contact 213 740-6000. If you see the vehicle, contact DPS at 213 740-4321 and officers along with LAPD will respond.

Campus Cruisers are called to your location and do not ride around looking to pick up students walking alone. Anyone approaching you in this manner should be considered suspicious and the situation reported immediately to DPS. Your help to make the campus community safer is greatly appreciated.
